## Welcome Back!

\*The Oahe Special Education Cooperative is fully staffed and ready to serve children with special education needs in the area!

\*The past year brought the retirement of Peggy Gereau who had given 30+ years to OSEC as a dedicated Speech-Language Pathologist at Selby Area School.

\*The OSEC staff participated in professional development in August that provided each teacher with new materials to use with students on their caseload.

\*Thank you for allowing OSEC to serve your schools. If there are any concerns or questions, please reach out. Have a wonderful school year!

## OSEC has hired the following new staff for the 2022-2023 school year!

### Emily Frederick

Emily is the new speech-language pathologist in Selby. She and her husband, Skyler, live in Bowdle where Skyler is the superintendent.

### Megan Serr

Megan took the elementary special education position in Selby. Megan is a May graduate of NSU in Aberdeen and originally hails from Warner.

### Mara Carrier

Mara is the new middle & high school special educator in Selby. Mara and her husband recently moved from Belle Fourche. Mara has been a sped teacher for 10+ years
